

The burden of RSV: An unseen epidemic in older adults

Wednesday 29th June 2022 • 12:45 - 13:30 (BST)

Join Janssen's lunchtime satellite symposium and hear expert presentations on the epidemiology of RSV, diagnostic testing for the virus and the importance of recognising RSV as a major disease in older people.

Register for the conference [here](#) and join us live in London or stream the conference virtually.

CHAIR

Dr Tristan Clark

Associate Professor and Honorary Consultant in Infectious Diseases, University of Southampton, UK

EXPERT FACULTY

Dr Stefania Maggi

Research Director
CNR Aging Branch-Institute of Neuroscience, Padua, Italy

Dr Dexter Wiseman

Clinical Research Fellow
National Heart and Lung Institute, Imperial College London, UK
